

Helping adults create better relationships with young people through a deeper understanding of today's youth culture.

Automatic Updates — How Technology Changes Kids Forever

Another seminar by **Paul Robertson**

YOUTH CULTURE SPECIALIST : YOUTH UNLIMITED (TORONTO YFC)

The revolution in the living room is well under way. Our children can no longer be separated from digital technology and it is having a serious effect on all areas of their development. Everything from how their brains grow to how they relate

socially is being automatically updated with every new innovation. This seminar will look at how our young people are being restructured by new technologies and how we can respond in positive ways as parents and youth workers.
