

Youth Culture Specialist, Paul Robertson, Presents

UNDERSTANDING CURRENT CULTURE TRENDS

Designed to keep adults on the cutting edge of youth culture, Current Trends focuses on the latest changes that could endanger and ensnare our kids. Today's youth are coping with divorce, living without fathers, targeted by marketers, caught in the casual sex revolution, searching for truth, hungering for hope, and all the while trying to discover who they really are.

Paul is the Youth Culture Specialist for Youth Unlimited (Toronto YFC). He has been working with youth and parents for 33

years and has spoken extensively throughout Canada and the USA. Having raised four sons, he understands that the key to better relationships with young people is through a deeper understanding of their culture.
